

homeless2home
A community forum

The province has been consulting with communities prior to the launch of a made in Ontario Long-term Affordable Housing Strategy.

BUT have they consulted with the real experts—people who know first hand what it's like to live without a home and what it takes to keep one?

Join us for a day of **action!**

What: A year after **homeless2home: a community exchange**, the **h2h team will hold an interactive community forum** to share our community guide and to take action on two key issues championed by h2h participants. The h2h team will invite policy makers to generate strategies to scale up rent supplements/housing benefits and to ensure the meaningful and sustained inclusion of the people with lived expertise in policy, research, and program development and delivery.

When: Thursday November 26th from 1:00 p.m. until 2:30 p.m.
(Light refreshments will be available*)

Where: The Church of the Holy Trinity, 10 Trinity Square
